5. The friend **who** I'm having a party for lives in Toronto.

*Punctuate with ITALICS, APOSTROPHES and HYPHENS.*

On Saturday morning, I visited my brother and sister in law. I arrived at their house around nine thirty in the morning. My sister in laws dog was excited to see me. We had breakfast and ate my brothers famous pancakes. After breakfast we relaxed in the living room. They wanted to send some emails and I love reading the newspaper, so I picked up my brothers Toronto Star. There was an article about all the foreign words that we use in English, like déjà vu and faux pas. The article mentioned thirty five foreign words, but of course there are many more. Later, we took the dog for a walk around my brothers neighbourhood. The temperature was twenty four degrees and it was a beautiful day.

*Complete the sentences with AND, BUT, OR or NOR.*

1. Tammy \_\_\_\_\_ Jill live in that apartment.
2. We like Scott, \_\_\_\_\_ not his girlfriend.
